BE ACTIVE WISCONSIN COMMUNITY CHALLENGE

ARE YOU A PART OF THE "FITTEST COMMUNITY"?

Wisconsin communities have joined the competition to conquer the most minutes of any activity during the month of March. Residents of each town will participate as one team to win, although we recommend having a personal goal of 200 minutes a week (no individual prizes awarded). Submit your minutes every Tuesday morning by 10am to be counted in the weekly totals by submitting them to a weekly form. All participants will receive a long sleeve t-shirt and the most active community will win a trophy!
